DETAILED ACTION

The following is an examiner's statement of reasons for allowance:

Claims 1-18 are allowable over the prior art of record because the prior art of record fails to teach or fairly suggest that gathering throughput relevant information from system components involves in the transfer, establishing a knowledge base that holds algorithms and data on relations and combinations of throughput relevant information.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
